

# 2004 ENERGY STAR<sup>®</sup> Award Application: Partner of the Year – Product Manufacturers

---

## General Instructions

---

Each year, the US Environmental Protection Agency (EPA) and the US Department of Energy (DOE) honor organizations that have made outstanding contributions to improving energy performance through their partnership with ENERGY STAR. The ENERGY STAR awards acknowledge superior technical accomplishments, public education, and ENERGY STAR promotional efforts that result in substantial energy and cost savings and a cleaner environment. Award winners will be recognized at the ENERGY STAR Awards Ceremony on March 2, 2004 in Washington, DC.

All organizations participating in ENERGY STAR are encouraged to apply for a 2004 ENERGY STAR Award. To be considered, an organization must meet the specific eligibility requirements in the award application and **submit a complete application package by December 5, 2003**. Organizations may apply for more than one award if they meet the eligibility requirements. In such cases, a complete award application package must be submitted for each award.

### **Eligibility: Partner of the Year – Product Manufacturers**

Manufacturers of ENERGY STAR labeled products

### **Application Instructions**

- Complete and submit an application package for **each** of the ENERGY STAR awards that you are applying for.
- Make sure that you respond to all of the award criteria specified in the application that you are completing. **Please do not exceed the page limitation specified in the award application (this does not include samples and collateral materials).**
- Whenever possible, quantify your activities and the results (e.g., number of pieces produced, number of people reached) and enclose documentation that supports claims made (e.g., photos of prominent use of the ENERGY STAR mark, copies of advertisements that incorporate the ENERGY STAR mark).
- Provide specific information about your efforts and materials developed in 2003. While planned activities for 2004 or beyond are of interest to EPA and DOE, they should not be the focus of the award application.
- **Organization Logo** - Please provide electronic copies of both color and a black-and-white versions of your logo in **EPS format** that will allow for a printable resolution of 300 dpi at a size of 4 inches. In the event that your organization is chosen for an award, this logo will be used in the Awards Ceremony materials.

- **Summary of Accomplishments** - Please provide a brief overview (**no more than 300 words**) of your organization and the accomplishments upon which you are applying for this ENERGY STAR award. In the event that you are chosen to receive an award, this text will be the basis EPA and DOE will use in preparing a summary of your organization's achievements.

### **Application Submissions**

- For each award that you are applying for, provide **two** complete hard copies of your entire application package, including the application form, responses to awards criteria, samples, collateral, and supplemental materials.

**In addition, please send (via e-mail) an *electronic copy* of your completed application (Parts I and II only) to the ENERGY STAR Awards Coordinator, Jonathan Passe, at: [Passe.Jonathan@epa.gov](mailto:Passe.Jonathan@epa.gov). Please do not forward supplemental materials via e-mail.**

- All hard copy and electronic applications must be **date marked/postmarked no later than December 5, 2003**. EPA and DOE will not accept any applications or materials date marked/postmarked after this date. Due to the volume of material that will be received, EPA and DOE will not be able to return any materials or promotional pieces.
- Send completed applications to the appropriate address below. **It is highly recommended that overnight or two day delivery be used due to potential delays and damage due to enhanced security screening of standard mail to government facilities.** Do NOT fax application packages or sample materials, as they will not be accepted.

## Part II: Partner of the Year – Product Manufacturers Application

---

**Description:** This award recognizes those product manufacturers who have furthered the goals of ENERGY STAR through their active participation. ENERGY STAR anticipates that selecting the Product Manufacturer Partner(s) of the Year will be a challenging task. To be fair, ENERGY STAR has developed criteria to be used in evaluating applications.

ENERGY STAR recognizes that each organization excels in specific areas. Partners may describe specific activities beyond the scope of the criteria listed below.

**Criteria:** Criteria for evaluating this award are listed below. In describing your company's activities, please organize your submission consistent with the outline below and please be as specific as possible. (For example, in describing use of the ENERGY STAR logo on a company Web site or advertisement, provide specific timing and placement information, visibility to the public (perhaps number of hits/impressions in a period of time), and size/placement of the logo.)

Your narrative description should be no more than **five pages**, but may be accompanied by samples of specific promotions, advertisements, or other activities your organization led in 2002.

### **Qualifying Product Efforts**

- Total number of ENERGY STAR qualified models/units
- Percentage of product line that is ENERGY STAR qualified
- Percentage of total sales that were ENERGY STAR qualified
- Introduction of new ENERGY STAR qualified models in 2002
- Innovation in product design for energy efficiency
- Participation/Leadership in discussion of new/revised ENERGY STAR specifications (if applicable)

### **Product Labeling Efforts**

- Number and percentage of qualified models prominently displaying the ENERGY STAR label (please submit examples of packaging or photographs of models)
- Number and percentage of qualified models with collateral materials (e.g., product packaging and the user's manual) that prominently include the ENERGY STAR label

### **Consumer Education**

- Print, radio, television, direct mail advertising with ENERGY STAR messages, logo {quality, quantity, frequency, reach}
- Incorporation of ENERGY STAR logo and messages into company Web site
- Public relations efforts, special events, press releases {quality, quantity, frequency, reach}

**Internal Education/Training**

- Continued training sessions for sales representatives (e.g., new ENERGY STAR specifications, new energy-efficient technologies, etc.)
- Integration of ENERGY STAR information into customer (retail/distributor) product knowledge training
- Training manuals/newsletters, emails, new employee packets, etc.
- Integration of ENERGY STAR information into off-site training
- ENERGY STAR displays at company events

**Participation in National/Regional ENERGY STAR Promotions**

- Leadership and participation in utility/state/regional partner sponsored special events, incentive programs, promotions, training sessions
- Leadership and participation in promotional events coordinated by EPA and DOE as applicable (Change campaign, national product promotions, etc.)
- Active partnership with retailers in ENERGY STAR promotions

**Other Efforts Across ENERGY STAR (if applicable)**

EPA will separately evaluate organizations who partner with ENERGY STAR in multiple ways. If you wish to be considered for the ENERGY STAR Corporate Commitment Award, please provide supplemental information that briefly describes other activities and accomplishments; for example, the extent to which your organization participates in the following:

- Commitment to organization-wide energy efficiency improvements
- Employee education on ENERGY STAR/energy management
- Procurement of energy efficient products
- Participation in EPA's computer monitor power management initiative
- Giving preference to leasing space from ENERGY STAR labeled buildings
